COURT OF REVISIONPavements, Curbs and Lane Pavement  
on the Initiative Schedule #430

The Court received from the Collector of Taxes, Schedule #430 listing twelve Local Improvement projects at various locations on the initiative. It was noted that the following projects had been defeated as a result of petitions received:

1. Begg Street
2. Cottrell Street
3. Evans Avenue
7. Oliver Crescent
11. Lane West of Renfrew

In respect of Project #9, the Collector of Taxes requested the Court to adjust the measurements as noted:

Lane Pavement 20 feet wide on the Lane South of Broadway from Yukon Street to Alberta Street.

Frontage assessed - (Multiple) - From 399.98' to 249.98'  
 Flankage assessed - (Multiple) - From nil to 109.52'  
 Flankage non-assessable - (Multiple) - From nil to 36.50'

| <u>Original Estimated Costs</u> | <u>Adjusted Estimated Costs</u> |
|---------------------------------|---------------------------------|
| City \$ 1,184.00                | \$ 1,663.00                     |
| Property Owners 8,856.00        | 8,377.00                        |
| Total 10,040.00                 | 10,040.00                       |

This is as a result of a consolidation which was received after the measurements were supplied to the Engineering Department. The consolidation changed an effective frontage measurement, (S.E. Corner of Yukon Street and Tenth Avenue), to an effective flankage measurement.

MOVED by Ald. Rankin,  
 SECONDED by Ald. Harcourt,

THAT Schedule #430, including the amendment recommended by the Collector of Taxes, be approved.
